About Me

Experienced Graphic Designer & Print Production Specialist with over 10 years of professional experience in graphic design, signage production, large-format printing, UV printing, and print operations. Proficient in Adobe Illustrator, Photoshop and preparing production-ready artwork for various printing applications. Skilled in managing complete projects from creative design and pre-press preparation to final production and installation support. Known for delivering high-quality results, meeting tight deadlines, and maintaining efficient production workflows. Currently based in Dubai and open to international opportunities.
